HELPING CHILDREN
 UNICEF is working in more than 190 countries and territories to help children survive and thrive.

**SHOP FOR GOOD.
 DOUBLE YOUR IMPACT.**
 Your purchase helps UNICEF save and protect the world's most vulnerable children while supporting global artisans and their families.

When UNICEF was founded in 1946 during the aftermath of World War II, the world faced unprecedented devastation. The world's children needed the support, services and advocacy that UNICEF could provide.

Today, the world once again faces immense challenges – inequality, climate change and the COVID-19 pandemic, which has had a severe, widespread impact and threatens to roll back hard-earned progress on child and maternal survival.

UNICEF relies entirely on voluntary donations to fight for children and families whose lives hang in the balance even in the best of times. This season, you can help us keep children healthy, safe and hopeful about their futures by shopping at UNICEF Market.

A portion of every UNICEF Market purchase helps UNICEF deliver nutrition, health care, immunizations, safe water, education and emergency relief whenever – and wherever – needed. Plus, every UNICEF Market product is sourced directly from talented artisans from Asia, Latin America and Africa to ensure they receive a fair price for their work and can care for their families.

UNICEF won't stop working for every child. By doing your holiday shopping at UNICEF Market you can give meaningful gifts to those you love and make a difference for children and families everywhere.

BeadWORKS creates opportunities for pastoralist women in northern Kenya to translate their traditional skills into much-needed income. This income enables the women to improve their families' lives, without resorting to environmentally damaging activities such as charcoal production, or overburdening their fragile grasslands with sheep and goats. Since 2005, participants have grown to include over 1,350 women in 135 self-governed women's groups.
