ELIAS GARCIA & FAMILY

Dear Friend,

As chillier nights begin to arrive, there's a special warmth that comes from knowing your shopping choices can make a real difference.

The fall and winter collection from UNICEF Market features a range of unique, handcrafted gifts ideal for the holidays. When you select one of these special items, you're not only giving a thoughtful gift but also helping to deliver hope to children across the globe.

With every purchase, you're contributing to UNICEF's vital work, such as providing safe water, building schools or delivering lifesaving vaccines to the most vulnerable. Your donations ensure that children in over 190 countries receive the support they need to survive and thrive, even in the face of adversity.

This season, consider giving a gift that does even more. Our catalog now features two unique Inspired Gift Bundles. These bundles include items sent directly to children in need, along with an exclusive artisan gift to keep as a reminder of your support for UNICEF or to share with a loved one. Plus, for a limited time, any Inspired Gifts purchased from the catalog or by phone will have triple the impact, thanks to a special matching opportunity.

Every item in our collection is ethically sourced from talented artisans in regions where UNICEF works. By choosing to shop with us, you're not only supporting children but also helping these artisans sustain their livelihoods and uplift their communities.

Thank you for being a champion for children this holiday season. Together, we can bring hope and happiness to those who need it most.
